Re: No Paid Property/Liability Claims in 2016-17

Dear Mr. Fust:

This letter is to formally acknowledge the dedicated efforts of the Shasta Local Agency Formation Commission's Governing Body, management and staff towards proactive risk management and loss prevention training. Your agency's efforts have resulted in no "paid" property/liability claims for program year 2016-17. A "paid" claim for the purposes of this recognition represents the first payment on an open claim during the prior program year and excludes property claims. This is a great accomplishment!

It is through the efforts of members such as Shasta Local Agency Formation Commission that SDRMA has been able to continue providing affordable property/liability coverage to over 500 public agencies throughout California. In fact, 408 members or 81% in the property/liability program had no "paid" claims in program year 2016-17.

In addition to this annual recognition, members with no "paid" claims during 2016-17 earned 2 credit incentive points (CIPs) thereby reducing their annual contribution amount. Also, members with no "paid" claims for at least 3 consecutive program years may receive a lower "risk factor" which also reduces their annual contribution amount.

As SDRMA is dedicated to serving its members and preventing claims, we would appreciate your agency taking a moment and sharing with us what made your District successful in preventing property/liability losses. Our goal is to incorporate your successful ideas and suggestions into our loss prevention programs to benefit all members of SDRMA. Please forward any comments or suggestions to Dennis Timoney, SDRMA Chief Risk Officer at dtimoney@sdrma.org.

On behalf of the SDRMA Board of Directors and staff, it is my honor to congratulate the Governing Body, management and staff of 2017-18 for their commitment to proactive risk management and loss prevention training.

Sincerely,
Special District Risk Management Authority

Jean Bracy, President
Board of Directors
