Dear Ms. Bull,

We recently contacted you about reducing the 2020-21 Property/Liability Program renewal contribution. Enclosed is your agency's \$500 refund. Thank you for submitting payment in such a timely manner.

This refund is being issued to due recent discussions with our liability reinsurers. Due to your agency not having any employees, which results in reduced employment practices liability exposure, we are reducing your District's 2020-21 Property/Liability renewal contribution.

If you have any questions, please contact us a memberplus@sdrma.org. We sincerely appreciate your partnership!

Sincerely,
Special District Risk Management Authority

Laura S. Gill
Chief Executive Officer
